

WORK EXPERIENCE

Symple | Design Director (Dec 22 - Sep 26)

- Directed user interface (UI) and user experience (UX) design for digital products supporting tax sale processes across the United States.
- Managed a design team creating interactive interfaces for government and business workflows.
- Led the development of a shared design system to support consistent design across multiple digital products and interfaces.

Freelance Designer | Multidisciplinary Designer (Feb 15 - Present)

- Delivered design services for agencies and consumer brands across brand identity, packaging, interactive experiences, retail displays, digital advertising, and print communications.
- **VGS / Studio D — Chick-fil-A:** Led the design of interactive restaurant experiences introducing children to philanthropy and farm-to-table concepts. Advanced the project from initial sketches to a working physical prototype tested in Chick-fil-A restaurants across the United States. Developed additional visual display solutions for retail and restaurant environments.
 - **Barrows — Command / 3M:** Designed in-aisle, endcap, and standalone retail displays for a planned nationwide Home Depot rollout. Aligned display concepts with seasonal advertising and back-to-school campaigns.
 - **Opperman Weiss — Chobani:** Created packaging for Chobani’s Indulgence line and contributed to an Olympic badge packaging initiative. Selected colors and finishes across multiple stock keeping units (SKUs) and produced supporting digital design work.
 - **HH Global — Berocca:** Designed a new packaging range across the Berocca product portfolio.
 - **Audi & Volkswagen:** Produced vehicle specification sheets and brochures across multiple models.
 - **M.A.C Cosmetics:** Developed holiday retail displays for the Nutcracker collection using 3D modeling and computer-aided design (CAD).
 - **Rémy Martin:** Created point-of-sale materials and campaign key visuals.
 - **Prada:** Designed digital displays for retail environments.
 - **Ray-Ban:** Created presentation materials and display designs.
 - **3M, Heineken, Dove, Suave, Axe & Lipton Tea:** Developed branded retail display designs.
 - **Joe Fresh:** Designed lookbooks, gift guides, and graphics for store interiors and window displays.
 - **Foot Locker:** Created banner advertisements, homepage slider graphics, and social media assets for the Week of Greatness campaign.
 - **NSG SWAT — Morgans Hotel Group:** Developed branding, custom illustrations, and digital banner advertisements.
 - **9999 — Axe:** Developed structural packaging concepts.
 - **54 Hundred:** Created brand identity and logo designs.
 - **Knowlita:** Developed brand designs, graphic applications, and patterns.
 - **Macy’s:** Designed promotional materials for print and digital channels.
 - **Slate.com:** Designed request for proposal (RFP) presentations and custom illustrations.

Brightbird | Contract Designer (Sep 14 - Dec 14)

- Developed consumer product designs across categories including kitchen appliances and footwear.
- Carried designs through concept sketching, advanced 3D modeling, physical model refinement, and production.

Workshop Collective | Lead Designer (Nov 13 - Sep 14)

- Collaborated with marketing, social media, and art direction teams to develop brand and campaign materials for Estrella Damm, DeKuyper, Morgans Hotel Group, Jugofresh, and Lucky Buddha.
- Created brand identities, logos, advertising campaigns, and printed collateral, with additional work spanning website development and social media campaigns.
